Neat as a pin, this family home in suburban Stafford boasts SIX bedrooms! Freshly painted inside and out and with two spectacular new bathrooms that would not be out of place on The Block, it's a residence that will thoroughly impress at first sight. You'll adore the polished hardwood floors and the large spaces, with a huge, air-conditioned living room and large, separate dining room. The U-shaped kitchen is immaculate with its pristine white cabinetry and white subway tiles. Well-appointed with a gorgeous stainless steel gas cooker and stainless steel dishwasher, it also features a dual bowl sink, pantry, and microwave shelf, plus loads of storage and bench space. The master bedroom is very generous in size at 4.5m x 2.7m. Bedrooms 2, 3, 4, 5 and 6 have built-in wardrobes and ceiling fans. When you check out the bathrooms, you'll fall in love! Both finished with floor-to-ceiling tiles and premium fixtures and tapware, they represent true pampering zones, one with a deep soaker tub, double shower and dual vanities, and the other with shower and vanity, laundry facilities tucked away, and separate toilet. Under the house is plenty of storage or you could utilise it as a home gym or kids' play space. Tandem parking accommodates two vehicles.
