Brand new and never lived in! Newly finished by the Deniliquin Hotondo Homes team, this brick veneer gem is ideal for a first home buyer or retirees, with a nice outlook overlooking picturesque bushland and lagoon. The home flaunts a simple design, the front entry opening to an open-plan lounge and kitchen with modern electric appliances (including dishwasher), split system AC and easy-to-clean flooring. There are three bedrooms all with BIRs (master bedroom with split system AC), family bathroom with separate shower and bath, and a neat laundry with storage cupboard. Landscaping will be up to the new owner, with a blank canvas to work with. For retirees, there is ample room for the caravan and you can simply lock-up and leave when you head off on your next adventure!
