In a unique cul-de-sac backing onto Steele Creek trails and Spring Gully Reserve, this contemporary home delivers a fantastic low-maintenance family lifestyle with its flexible triple-storey floorplan, impressive inclusions and three separate outdoor zones to enjoy. Impeccable presentation throughout, the home's light-filled interior comprises a large master bedroom with its own fitted WIR, stylish ensuite and private balcony, as well as two additional bedrooms (BIRs), main bathroom and two separate powder rooms. Enhancing its family appeal is the inclusion of a dedicated study alcove, sunny retreat and expansive open-plan living/dining area with gas-log fireplace complemented by a stone-bench kitchen with glass splashbacks, soft-close drawers, 900mm cooking appliances and double dishwasher. Other highlights of this amazing home include in-floor heating and split-system air conditioning, additional ceiling fans, integrated audio, solid hardwood floors, solar power and solar hot water, along with a large laundry, under-stair storeroom and comprehensive security system (alarm, CCTV and video intercom). Completing the picture is a large entertaining terrace (bi-folds from the living area), plus a private backyard with direct access to the reserve and front carport. Walking distance to the bus stop on Keilor Road, it's also close to a range of popular schools (including PEGS senior campus), Keilor East Leisure Centre, Centreway shops and eateries, as well as easy access to the Calder Freeway.
