Beach House

Home sweet home exudes from this private weatherboard home.

Step into a cosy, level, three bedroom house ready for a family to move straight in. The renovations have been done including a NEW kitchen and NEW bathroom.

The open plan living room opens out to the expansive deck for ease of entertaining.

The deck is set in a large, fully fenced, lush garden.

Imagine relaxing by the fire pit and enjoying the water view.

At the end of your working week, park your car and kick back to enjoy all that a quintessential Beach House has to offer.

Listen to the sound of waves at night, stroll to the beach, play in the park and enjoy the cafes and restaurants of Blackmans Bay. Buses to Kingston and the city are at the end of the road, and the Hill St Grocer is within walking distance.
