An impressive, well-maintained townhouse that will tick all the boxes. The open plan living/dining /kitchen is a lovely light-filled area which forms the heart of the home. The kitchen has an electric oven, gas cooktop, range hood and the bonus of storage above and below the bench tops. Spacious bedrooms with built-in robes, master with ensuite and walk-in robe. Plenty of storage, gas ducted heating, ducted evaporative cooling and single lock up garage with auto roller door. As well as the great location, you'll love the convenience of other facilities and amenities, including the Long Gully Reserve, Chemist Warehouse, schools, and the closeness of the CBD.**Please submit all applications for review, if pre-approved a private inspection will be arranged before signing rental agreements**
