Fabulous floor plan with indoor/outdoor living downstairs. There is a spacious alfresco and low maintenance private garden with border garden beds. The kitchen has a 5-burner gas hot plate with a rangehood and 900 wide electric over. All appliances are stainless for easy cleaning. A large corner pantry with surrounding ample cupboard space. The laundry is spacious with a separate powder room. The Double garage has remote access and bonus workshop at the rear plus storage space. There is a gated pedestrian access from the front to the rear of the property. Upstairs the floor plan is ideal. All three bedrooms have wardrobe space with a walk-in robe and en-suite in the main suite. A bath in the main bathroom and separate toilet. There are separate split system air conditioners for individual bedroom use. A two-storey home conveniently located in a peaceful street yet convenient to all that Belmont Forum has to offer. Low maintenance, Ideally suited to lock up and leave. Close to all amenities and central to other community conveniences. Contact Martina Murphy directly to arrange viewing and any additional property details.
