Cleverly merging indoor and outdoor areas to provide a relaxed entertainers' retreat, this modern two-level residence displays a fresh and stylish design that embraces light filled open plan living with style and privacy. It makes a very peaceful home that takes full advantage of the space plus it's packed with a range of smart up-to-date finishes. This superb property is enhanced by very convenient address within a few footsteps to Marketplace shopping centre, and within easy reach of the light rail station, local cafes and the area's surrounding parklands. Generous open layout with separate lounge and dining areas. Easy maintenance courtyard with a sheltered dining area. Modern open kitchen with breakfast island and gas cooking. Three upper-level bedrooms and large skylights throughout. The master bedroom has extensive built-in storage and ensuite. Solar panels, air-con, LED downlighting and plantation shutters. Short distance to Norton Street cafes, boutiques and cinema.
