Perfectly positioned on the elevated ground floor, this inviting two bedroom apartment, quietly set at the rear in the sought-after Woodburn Heights development, offers a blend of sophistication and comfort with its pristine modern interiors, lovely natural light, privacy and security. The generously sized floor plan encompasses a welcoming entryway, plenty of storage options, impressive ceiling height, and living and dining areas with excellent proportions. A mirror feature wall in the living and dining wing enhances the space by bouncing light around the room, while floor-to-ceiling windows frame a sunny west facing balcony with a built-in bench and seat, perfect for enjoying the outdoors from an elevated perspective. The well-appointed kitchen is a sunny work space featuring a meals area, dishwasher, Bosch electric cooktop, Fisher & Paykel oven, overhead cupboards and a pantry. The second bedroom features west facing aspects and built-in robes, while the bathroom offers laundry taps, a walk-in shower with a big rain showerhead, ample storage above and below the vanity, and a separate powder room. The large main bedroom also enjoys an elevated ground floor aspect and provides plenty of storage space and room to accommodate a king size bed. Additional features include available on-site parking and electric panel heating. Experience exclusive Toorak living with this quiet contemporary apartment. Exclusively situated between St Georges and Lansell Roads, you couldn't ask for a better address. Trams are available conveniently at your doorstep, while Toorak Village, cafes and restaurants are all nearby.*On-site parking available for owners, as well as rear parking on Dalriada St. Contact agent for more information.
