This renovated townhouse boasts a spacious lounge with a gas heater point and floating wooden floorboards, along with three generously sized bedrooms upstairs. The modernized kitchen and beautifully renovated bathroom and laundry add to the appeal. The property also includes a carport and visitor parking, as well as a large back garden that's perfect for small pets and includes a garden shed. The complex is secured by a large gate at the front and an electric gate for entry, with only residents possessing remotes able to gain access. Outdoor entertainment is made easy with the large patio, complete with wind blockers for year-round enjoyment. It comes with split system air conditioning, built-in robes and carpets for the bedroom floors. Call to view today!
