Only metres to the sapphire waters of Cowes foreshore, this architecturally designed home has been crafted with meticulous eye for detail and a focus on effortless luxury. It is an oasis of contemporary elegance, offering grand proportions and first class finishes in a sought after location. This innovative masterpiece delivers the ultimate in modern living over three levels. The heart of the home extends through the middle level featuring an open plan kitchen, dining and living space with 3.6m high ceilings. Complemented by a signature travertine wall, blackbutt timber flooring and a designer kitchen with marble benchtops, quality appliances and generous butler's pantry. The double sided Sculpt fireplace creates a warm and relaxing living space that opens through vast glass sliding doors onto a sunny, North facing terrace. Designer style continues throughout the three bedrooms, luxurious bathroom with double vanity and free standing bath, laundry and second living area are also located on this level. Perfectly zoned for functionality the lower level encompasses a spacious 5th bedroom or home office with built in cabinetry, polished concrete flooring and access to an outdoor hot and cold shower, large carport, separate store room with remote roller door and outdoor powder room. A master retreat on the third level is a private sanctuary that features the master with walk in robe and luxuriously finished ensuite with double vanity, open shower and free standing bath. Further highlights include: • 900mm cooktop • Steam oven • Under tile heating • Ducted vacuum • Solar panels • Architectural lighting Whether it be your permanent home or coastal escape you will be impressed with the additional inclusions of this outstanding home and it's popular, convenient location.
