Full of inviting space and beautiful sunshine, this solid brick 3 bedroom 1st floor security apartment is a golden project opportunity. Ideal for moving in and modernizing when the time suits, this sizable gem enjoys a huge open plan space with genuine living and dining areas, a north facing retro kitchen with meals area, a super sized main bedroom with 2 sets of built in robes, 2 further well proportioned bedrooms (one with robe), a classic bathroom, separate powder room and a laundry off the kitchen giving it scope to be a butler's pantry/laundry hybrid. You'll love taking in the afternoon sunshine on the alfresco balcony, plus you'll admire the qualities of reverse cycle air conditioning, intercom, great storage and undercover parking. In a boutique block, near the city bus and city tram, walk to Caulfield Park, Alma Village, Caulfield Junior College, Malvern station and the extensive shopping and dining choice on Glenferrie Road and Hawthorn Road.
