As good as the day it was built around 10 years ago by well known local builder Mike West, the home boasts neutral colour scheme both inside and out and doesn't look to have aged at all. The light and airy open plan living has been designed for the northern sun and has a well appointed Kitchen with electric cooking, dishwasher and reverse cycle air conditioning. A sliding glass door opens out onto a small covered patio area and the backyard which is extremely private and again well designed. Both bedrooms have built in robes with direct access from the single garage into the laundry which has fantastic storage. Within a short stroll to the shops and in pristine condition, this unit is certainly a rarity and will not last long!
