Refurbished and smartly styled, this villa is also well presented, low maintenance, and modern – with a fresh neutral décor, space and airiness, and copious natural light. It is the perfect abode for relaxing in comfort. Furthermore, it is set at the rear of a peaceful development in a small cul-de-sac that is brilliantly located to amenities. Open to the entrance foyer, the living room (with split-system A/C) includes a well equipped kitchen with glass splashback and a gas cooktop. Both bedrooms have built-in wardrobes and are serviced by a bathroom with separate toilet and a separate laundry. At the rear of residence is a private, paved courtyard with ample space for outdoor entertaining. An off-street car space and a small shed are included. The property is in the Oakleigh South Primary School zone, minutes to buses, Oakleigh train station, Oakleigh shops and cafes, and close to parks, Chadstone Shopping Centre, prestigious golf courses, other recreational facilities, Monash University Clayton and Monash Freeway.
