Nestled on the edge of High Street's reimagined lifestyle renaissance, this exquisite 2-bedroom villa presents an unparalleled living experience with its modern luxury and urban allure blend. A prime location is matched with an enchanting open-plan design where the boundaries between indoors and outdoors dissolve, delivering a seamless fusion of convenience and everyday indulgence. Easy-care gardens frame a sandstone facade and entryway, setting the tone for a lifestyle of elegance and simplicity. A vast tiled living space is bathed in natural light flourishing through plantation shutters, transitioning to a spacious kitchen and dining space where laminate counters encircle a gas cooktop and dishwasher, ensuring gourmet treats are created with speed and style. A covered deck and terrace offer an abundance of space for year-round enjoyment, where the indoors and outdoors harmonize in perfect unison. The master bedroom features a walk-in robe and ensuite entry to the central bathroom, ensuring utmost privacy and convenience, supported by a full-sized laundry and separate toilet. Finished with ceiling fans, refrigerated heating/cooling, and a single garage, it sits just meters from Hastings' rejuvenated cafe culture and endearing foreshore, with boutique and department shopping, chic eateries and restaurants, public transport, revered schools and idyllic nature walks within easy grasp.
