Designed very smartly with the kitchen, living and balcony all overlooking the city and the bay. The upstairs living area is a fully renovated lifestyle choice that you will feel very comfortable residing in. Downstairs offers two bedrooms; the main room with a walk in robe. The beautiful bathroom and a separate laundry and access to your lockable single garage. An enclosed low maintenance courtyard at the front and rear give you 3 outside spaces if you include the balcony, so you have an abundance of outdoor living options. This is a great lifestyle choice, with incredible ocean and city views. 2 bedrooms, air conditioning, a surprising amount of storage and plenty of modern features. There is only one common wall in this small complex of 10 villas. Located across the road from Geraldton Grammar School (K\u00fc8217?s to Yr 12), close to transport, a short walk to the beach and only minutes from Northgate Shopping Centre.
