This contemporary build offers style and comfort over two levels. Situated in the heart of this high demand locale and offering a sought after northerly aspect your winters will be warm whilst the summers remain cool. Loads of light to both levels with soaring ceilings and skylights. Downstairs you will enter from secure double garage into the timber floored entry. Down a few steps into the spacious open plan kitchen and living areas with outlook to the leafy private courtyard. Laundry and powder room complete this lower level whilst upstairs there are three spacious bedrooms, or two plus home office. Main bedroom and larger secondary bedroom offer robes and both have balconies. Ensuite bathroom to main bedroom plus separate main bathroom. Features include; Private entry and shoppers entry from garage Powder room Dishwasher Gas cooktop Split system a/c Carpet to bedrooms Paved courtyard Two balconies
