Offers over \$349,000

This charming and budget-friendly 2-bedroom unit, complete with a private backyard is nestled within the highly sought-after historic village of Evandale. This sturdy and low-maintenance brick unit sits within Falls Court and is ideal for down-sizers, investors, or first-time buyers alike. The comfortable living area is equipped with a reverse cycle air conditioner for year-round climate control. Connected to the living area, a functional kitchen looks outwards to the mountains. The unit offers two generous bedrooms, each featuring built-in robes. An attached carport provides undercover parking unit presents a fantastic opportunity to enjoy comfortable living with added convenience. There is also a small garden shed and picturesque gazebo situated within the private garden space. Positioned just minutes from the airport, it is particularly suited for frequent travellers commuting from interstate. Contact Thomas today to schedule your inspection.
