Nestled within a striking boutique development, this spacious two bedroom apartment will entice the most discerning tenant. Situated in an outstanding locale with a supermarket and Woodlands Park at the end of the street and only a short stroll to the renowned North Essendon Village cafes, this is the ideal location. Public transport access is also a must and this property is walking distance to Mount Alexander Road for tram route 59 straight to the city, Glenbervie Train Station, Essendon DFO and freeway entrance to the Tullamarine and Calder Freeways. Secure intercom entry precedes a spectacular glass lined communal corridor, leading to the ground floor apartment. Quality fittings and contemporary open plan design, the living area comes with a split system and extends to a private, low maintenance courtyard. The sophisticated kitchen boasts Bosch gas stainless steel appliances including dishwasher, and is lined with lustrous stone surfaces and white soft-closing cabinetry. A similar finish is achieved in the stylish bathroom. Two good-sized bedrooms with built in robes, European laundry and one secure underground, larger than normal parking space with separate storage cage.
