This townhouse has everything you've been after and more! Set midway in to the complex, you'll enjoy peace and quiet, yet benefit from close proximity to all that matters! Behind the living, the kitchen awaits! You'll be surprised by its size and functionality. It comes complete with dishwasher, under bench oven, four burner cook top, range hood, overhead cupboards that add to the abundant cupboard space, as well as ample preparation space as you cook up a storm! This overlooks the dining area that enjoys plenty of natural light through the sliding door where it's a quick foray into your low maintenance, easy care rear yard with additional garden shedding. Also downstairs, you'll find the laundry that also has a separate toilet; this making three in total. Terrific planning at the inception of the build ensures utmost privacy for your upstairs bedrooms. The master is generous in size and offers a walk in robe and ensuite, whilst the additional bedroom has a built in robe and enjoys the benefit of a further central bathroom. Storage has not been overlooked as there is a built in linen cupboard in the landing area upstairs. This one won't last long so give us a call today on 03 9744 2244 to discuss the property further.
