\$279,000

Directly opposite the Ulverstone parklands and beach is this second level one bedroom unit. Plenty of natural light with open plan living and floor to ceiling windows to enjoy that amazing view. Main bedroom offers built-ins, the unit has electric heating and also offers a single carport and private courtyard. Walking distance to the Ulverstone CBD, local restaurants and the wharf precinct. This is a great stepping stone into the property market or a great investment.
