This cozy home is part of a peaceful neighborhood with two-story houses. It's great for young couples and investors because it's very safe and easy to take care of. Here's what makes it special:

Location: Buses are just a short walk away, taking you to the city via the freeway and to Westfield Doncaster for an array of shops, restaurants, and services. It's also close to Macedon Square, Templestowe Village, and highly recognized good schools within walking distance.

Layout: The house has an open living and dining area that gets lots of sunlight. The kitchen is modern and comes with fancy appliances like an oven, cooktop, and dishwasher.

Outdoor Space: There's a private area outside where you can relax and eat. It's covered, so you can enjoy it even if it's raining. You can also park your car in the double garage, which you can access from inside the house.

Bedrooms: There are two bedrooms, one with a big closet and the other with a nice view. They share a bathroom with a shower and bath, perfect for families with kids.

Extra Features: The house has air conditioning, a security alarm, and storage space under the stairs. There's also a laundry room with cabinets and an extra toilet. Plus, there's parking space outside and a gate at the front for extra security.

Overall, this home is low-maintenance and very convenient. You should check it out soon
