A quiet setting in a collection of six makes this family sized townhome a superb alternative to a traditional terrace but with all the benefits of a modern build and the bonus of undercover security parking. Tucked away in a boutique cul-de-sac just one block back from Victoria Street's dining hub, the two-storey home opens to wide entertainer's courtyard with a great layout featuring three double bedrooms plus a separate dining room ideal as a home office. In a gated enclave just off Liverpool Street, the fully renovated home offers a sense of peace, privacy and security that's rare to find in the heart of Sydney's most fashionable urban village. Enjoy a connected urban lifestyle, 600m to Kings Cross station and 250m to local favourites including Darlo Bar, A Tavolo and Gelato Messina.
