The home has undergone a full renovation and is presented with quality fixtures and fitting through out. Split over three levels and featuring multiple living zones, beautiful views and a good size low maintenance yard. Entry to the property is located on the middle level of the home which consists of the large dining area, modern kitchen, two bedrooms, main bathroom, laundry and garage. The lower level leads you to the large living area with heat pump and electric fireplace, adjoining separate media room with access to yard, and main bedroom with ensuite and walk in robe. Finally the top level of the home has the 4th bedroom, rumpus room and access to the expansive deck with fantastic water views. This area creates an ideal teenager or guest accommodation. - 4 bedrooms with built- in robes - Ensuite and walk in robe to main bedroom- Main bathroom with separate bath and shower - 2 heat pumps and electric fireplace - Modern kitchen with quality appliances - Large double garage - Secure good size yard - Multiple outdoor entertaining areas Sorry no pets Available now \*\* The owner may consider a rent to buy option
