Perfectly located only steps to Mornington's vibrant Main Street, this charming, single-level 2-bedroom town residence offers compact, low-maintenance living in a tranquil, private setting. Meticulously presented, the façade of this free-standing brick unit features timber shutters and full-height multi-paned windows, and is set behind elegant, landscaped gardens. The front door opens to an arched entry hall, and the recently updated interiors are resplendent with plantation shutters, stylish built-in joinery, and quality neutral carpets. Spacious and light-filled, the living/dining room flows to an alfresco area in the wrap-around low-maintenance fully -fenced private rear garden that attracts plenty of northerly sun. The stylish central kitchen enjoys a garden outlook and is well-equipped with a Westinghouse freestanding electric stove, and a Dishlex dishwasher. The large main bedroom overlooks the front garden and both bedrooms feature built-in robes. The central bathroom has a bath and walk-in shower. Also features a laundry with external access, a single garage with rear yard access, split system heating/cooling and there is plenty of storage including a cloak cupboard and linen press. This leafy, beachside Mornington neighbourhood is prized for its proximity to Main Street and its cafes, restaurants, hotels, boutiques and wellness and lifestyle amenities, and Fisherman's Beach is just a five- minute walk away.
