This nifty 2 bedroom property is well located in the inner city suburb of Stuart Park. With a picturesque park at the rear of the complex and this unit being located up a few flights of stairs, you should enjoy peace and quiet both during the day and at night. At the entry of this unit and throughout the complex are retro tiles, providing an old Darwin vibe. The kitchen is a great size, as is the bathroom. Both bedrooms will fit Queen size beds and have cupboards, air-con and fans. As a bonus there's 2 balconies where you can enjoy the leafy outlook. There's a dedicated laundry precinct in the basement of this complex where you can have your washer and dryer. Or take advantage of the outdoor clothes lines where your clothes will dry naturally throughout Darwin's Dry Season.
