This spacious, bright and character-filled Art Deco apartment is perfectly placed to get the most out of Randwick. Quietly positioned on the top floor to the rear of a solidly built older-style complex of only six, it offers a very private retreat with great proportions, lots of natural light and an elevated setting that captures district views and ocean glimpses. The combination of lifestyle appeal and investment performance that's always associated with this area is clearly part of the picture here as the property enjoys a fabulous location within a stroll to Randwick's shopping, cafés and restaurant options, and just a few minutes to The Spot and Coogee Beach. Light-filled windows on three sides and only one small common wall. Sweeping views stretch over the district with glimpses of the ocean. Spacious layout with a large bedroom plus separate study/sunroom. Freshly presented interiors include many retained Art Deco features. Generous open living and dining space with high decorative ceilings. Smartly appointed eat-in kitchen with gas cooktop. A stylishly renovated bathroom featuring a full bath and shower. Lock-up garage with storage space plus access to an attic storeroom. In a wide leafy street around the corner from downtown Randwick.
