Ray White Mt Gambier is pleased to offer for lease this cosy brick unit at 5/20 Wimmera Street. It's tucked away at the back of a group of ten units, offering a quiet place to call home. You'll find it conveniently close to Mount Gambier North Primary School and just a short distance from Mount Gambier Marketplace. As you step inside, you'll be greeted by a bright living area that leads smoothly into the kitchen. The kitchen comes with electrical appliances for your cooking needs. Plus, the property has gas hot water, heating, and a split system air conditioning unit to keep you comfortable all year round. Both bedrooms have soft carpeting and built-in robes, giving you plenty of storage space. The bathroom, right next to the laundry, has a shower, toilet, and basin for your convenience. Outside, there's a spacious paved pergola where you can relax or enjoy outdoor meals. And with two designated parking spaces, parking will never be a hassle.
