It's not often that a contemporary 3 bedroom unit is listed for sale in the heart of the Townsville CBD. Situated on the hill, the unit commands views of the entire cityscape from the spacious deck. The cool breezes at night coupled with a spectacular nighttime view, makes a great entertainment space. There's 3 roomy bedrooms, 2 bathrooms (one is an ensuite) and a modern kitchen overlooking the living/dining areas. The unit is a sound investment, with current rental being \$555 per week until 20/2/24. Rent has been appraised at \$570-\$590 per week thereafter.
