The adjoining kitchen is cleverly designed with a wrap-around bench which overlooks the living area, incorporating stainless steel appliances and ample storage space. The large master bedroom with dual built-in-robies, also provides access to the large and private courtyard. The bathroom offers an over-sized shower, generous bench space. To complete the layout is a European laundry and additional storage cupboards to compliment this stylish apartment. With additional features including lift access to the garage, security camera's throughout including basement car parking, key gate access, double glazed windows throughout, secure car space and storage cage (3.4m x 0.8m x 2.2m), NBN fibre, ducted heating and reverse-cycle air conditioning.
