Positioned in a convenient pocket to the Healesville township, this immaculately presented two bedroom, one bathroom home is a perfect fit for first home buyers, downsizers or investors. Welcoming you into a large lounge room with an abundance of natural light and freshly carpeted, flows to an updated kitchen with wooden bench tops, gas cook top and a neutral palette. A well constructed floor plan allows for two spacious bedrooms with built-in robes located off the hallway, along with a main bathroom consisting of bath, shower, vanity and separate toilet, separate updated laundry with lots of storage. Further inclusions include; ducted heating, split system, large linen closet, single car garage, low maintenance but established garden and back patio. Just a short walk to public transport, Healesville township, shops, cafes, and schools.
