Offering a very spacious design, modernised interiors and a wonderful North-Easterly outlook to the waterways of Port Macquarie, this feel-good apartment offers the convenient lifestyle, in a sought-after CBD location that you've been searching for. Situated in a tightly-held apartment block, the property presents an enviable lifestyle where you enjoy the luxury of having cafes, shops, entertainment and of course the beautiful action of the Hastings River right on your doorstep. Step inside and you'll discover an appealing and well-designed interior, with plenty of natural light, a functional floor plan with good room proportions. Fresh hybrid plank flooring, new blinds and a recently modernised kitchen with masses of storage options and quality, new appliances, will allow you to move in without lifting a finger. The open living and dining room is larger than average and leads out to a sundrenched balcony that provides the perfect spot for alfresco relaxing with views to the river and the CBD as your backdrop. There are two queen-sized bedrooms, both featuring large built-in-robos and are serviced by an immaculate, yet original bathroom with separate bath and shower. The oversized lock-up garage, offers plenty of space for useful extra storage and a large internal laundry completes this fantastic package. Investors, first-homer buyers and downsizers, don't miss out on this incredible opportunity to buy into this highly sought-after part of Port Macquarie.
