This neat 2 bedroom unit is situated a short walking distance to the shops, schools, sporting grounds and golf & bowls club. A spacious open living/dining room with split system. The kitchen has electric appliances including a dishwasher. The master bedroom has a WIR and direct access to the renovated hospital grade shower/wet room. There's a functional laundry and separate toilet. Outside is a single carport and a private low maintenance courtyard with no back lawn to mow. Large 5.9 kw solar system to help with the rising power costs. Would suit a first home buyer, down sizer or any investor looking to capitalize on the struggling rental situation. VERSATILE PROPERTY.
