This rental property offers an ideal location - situated on a quiet and highly regarded street, yet conveniently close to the beach, restaurants, schools, shops, and all that Mooloolaba has to offer. You might find that leaving your cars in the garage becomes the norm! The property features a townhouse design and includes everything you could desire: three spacious bedrooms, a master bedroom with an ensuite, walk-in robe, and balcony, a main bathroom with a bath, a third toilet, and a separate laundry downstairs. Additionally, there's a study nook and a double remote-controlled garage. The large, private courtyard requires minimal upkeep (thanks to artificial grass) and has a separate entrance. The kitchen is of high quality, boasting stone benchtops and a dishwasher. The property also features new blinds, ceiling fans, and screens throughout. For added security and amenities, the complex includes a security gate and a swimming pool. Opportunities in this sought-after complex are rare, and this property is available now for inspection. Notes: Water is included in rent. Applications through 2Apply.
