Tucked away, down the back of a lovely boutique complex this absolute gem of a home is ready for you! Great layout making the most of the North facing courtyard and all the natural light flooding the living and dining area. Recently renovated kitchen and bathroom with fresh paint and floor coverings throughout. Not a single cent to spend on this home as everything has already been done. Includes ceiling fans, split air conditioning, stone topped kitchen, floor to ceiling tiles to bathroom, 2nd toilet in the laundry and a remote double garage. We challenge you to find better quality at such an affordable price!! Finally you can downsize in style, have the ultimate investment or live the perfect low maintenance life.
