**** Located on the ground floor of an established residential block, polished timber floorboards flow throughout the light-filled apartment's separate entry hallway and into the large open-plan living/dining area, set against a soothing garden backdrop that you can enjoy in person by stepping out onto the private sun-soaked rear balcony. The neat kitchen has been tastefully updated with a tiled splashback and a 600mm upright cooker (with four gas burners) and features plenty of storage space above and below, while the new-look bathroom is a statement of style and luxury with its chic floating vanity and freestanding soaker bath. Both bedrooms are fitted with built-in robes and generously proportioned, while a split-system heating/cooling unit handles the climate control. Also features off-street parking for residence (non allocated).
