Live it up: stylish and contemporary, this two bedroom plus study, two bathroom residence offers a brilliant lifestyle in a stellar spot so close to cafes, trains, local shops and parks. Set well back from the street it extends across three sleek storeys, with the open plan design of the central level progressing from an elegantly equipped kitchen past a bright living room to a north-facing balcony. Overflowing with stainless steel appliances, including a dishwasher, harmoniously matched with pale stone surfaces, the kitchen calls to your inner gourmet. Sizeable bedrooms are privately positioned, and each has a built-in robe, plus convenient access to a shining bathroom. The handy open study, heating/air conditioning, concealed laundry and secure parking/storage, with direct access to Gaffney and Bolingbroke streets, further entice. Moreover, the attractive position is within the coveted Strathmore College zone, close to CityLink and freeway access, and it's easy to travel into and out of the CBD in next to no time, ensuring huge appeal.
