A truly phenomenal, multi-level apartment, set on Caloundra's Kings Beach headland. With incredible ocean views from each bedroom, living area and outdoor deck space, it is easy to understand why this property is simply in a class of its own. Situated on Caloundra's highly sought after Burgess Street, Ship's Way is one of only eight units within the tightly held Baywatch complex and is now set to be sold for the first time in over twenty years. With a floor plan that gives you the sense of being in a house instead of an apartment, Ship's Way is the perfect property for those wanting to downsize without the typical apartment-feel. Equally, with its location giving you incredible access to both Kings and Shelly Beaches, this property would serve perfectly as a medium-sized holiday home. Priced to ensure a quick sale, we recommend that all interested parties visit the property at any of our open times listed below or by private appointment.
