This is a fantastic location and a very good unit, ready for you to move right in! The aspect is perfect gaining the benefit of our warm winter sunshine in the living areas and balcony plus cooling summer sea breezes in the warmer months. There are two good sized bedrooms, internal laundry and excellent presentation throughout. A big bonus is the secure extra long garage allowing you to lock up your vehicles as well as ample space for storing your bikes and other items. We expect this excellent unit to rent quickly. Be the first to inspect!
