Step into a parkside oasis where the lush green of the Royal Melbourne Golf Course and bushland borders provide an idyllic backdrop to easy living. Entirely renovated with a stylish flair, this dual-level townhouse has the ideal balance of refined style and low-maintenance living in an unbeatable location - mere steps from Beaumaris Secondary College, the Concourse and the bay. It's a secluded hideaway you'll love coming home to, set back from the street at the rear of only six, where generous living areas promote an alfresco focus. There's excellent functionality, with a brand new Kinsman kitchen equipped with quality stainless steel appliances, including an integrated dishwasher. A sunroom and dining room spill outdoors to the lovely, carefree landscaped garden and deck, perfect for entertaining and taking in the northern sun amongst a colourful and private setting. High ceilings continue to the quiet lounge and upstairs to the three spacious and robed bedrooms, including the main with a stylish, fully-tiled ensuite and north-facing balcony. The two additional bedrooms are catered to by a central bathroom, ideal for young families, with a bath and dual vanity. But the attention to detail makes this a wonderful home, with ducted heating/cooling, ample storage throughout, ceiling fans in the bedrooms, ducted vacuum, powder room and stone countertops for the kitchen and bathrooms. Park in your secure double garage, walk to nearby parks and sporting grounds and appreciate the convenient address, where the bay meets family living - right in the heart of Bayside.
