Save the first Open Inspection date – this one will not last long. There's lots to love about 5/46 Byron Road – a Jacaranda lined street, local shopping & cafes and multiple transport options you will walk to before you finish your takeaway latte. This renovated townhouse is surely the pick of the group – an end unit, located privately at the rear, its own secure garage, living room with study nook, quality kitchen with loads of storage and room for dining, huge master bedroom with wall of built-ins and a private balcony, second double sized bedroom, contemporary bathroom and a separate laundry with second WC. Oh... and don't forget, the courtyard to call your own. All just minutes from the CBD, handy to all Unis, fine schooling, the airport, Millswood Oval and hip Goodwood Road – the friendly community is just icing on the cake!
