Designed by renowned architects Cera Stribley this newly completed two bedroom plus study residence offers generous light filled ground floor living with beautiful Oak engineered flooring and gorgeous north facing courtyard perfect for entertaining. An abundance of built in joinery including rarely offered and substantial built in entertainment unit, study with built in desk and additional storage, integrated kitchen bench to complement a beautifully styled kitchen with stone benchtop. Additional features include two modern bathrooms plus powder room, oversized and secure garage with plenty of storage, split system air conditioning to all bedrooms & main living space – making for a practical and functional home. Positioned to perfection with city-bound trams at your doorstep, walking distance to cool cafes and local shops, popular primary schools, as well as easy access to Preston Station and Preston Market.
