Love the location and lap up the laidback lock & leave lifestyle this fabulous package affords! Moments to the station, cafes and local shopping destinations – and with the incredible attractions & distractions of Chadstone shopping centre within minutes – this carefree base should be at the top of every inspection list. Open plan in design and stylishly appointed, accommodation includes a spacious living/dining room which spills outside to a private balcony. Stainless steel appliances and stone surfaces feature in the contemporary kitchen along with lots of cupboard and preparation space while the two well-sized bedrooms share a sparkling modern bathroom. Other standout features include the comfort of split system heating and cooling, secure entry, lift access and parking. Whether just starting your property journey or seeking a ready-to-go addition to your growing rental portfolio, this is an opportunity too good to miss. Dandenong Road is easily accessible for a straight-forward workday commute and Monash University Caulfield is within two train stops – perfect for students and campus staff. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
