This three-bedroom unit is sure to delight. It is only minutes away from great cafés, shops, and the Kings Meadows shopping district. The property is one of five apartments in the complex which is quiet and peaceful. All bedrooms are spacious and offer built in robes. The large open lounge has a reverse cycle heat pump and the open plan kitchen/dining provides great cupboard and bench space. The property offers 2 bathrooms, one with a separate shower, the other with a large bath and a second toilet. There is also a single carport accessed at the side of the building, but you won't need your car when you are within walking distance to everything you could need. Available as of the 10th of June 2024 for \$400.00 per week. 12 Month lease preferred. Sorry pets are not suitable for this property.
