Desirably designed, beautifully built and impressively appointed c2020 – and still conveying a contemporary freshness today – this dynamic multi-level townhouse meets every need with evident style and exceptional success. A substantial balcony supplies lots of bright natural light to upstairs living and dining spaces featuring elegantly low-maintenance hybrid flooring, reverse cycle heating/cooling and an open-plan kitchen fitted with stainless steel appliances, dish-washer and gas cook-top. A bedroom with an ensuite and a separate powder room and two further bedrooms on the upper level are complemented with an additional family friendly central bathroom and ensuite. The character and the comfort leave a lasting impression throughout a residence that incorporates a secure garage for two cars and ample storage in an ideal setting close to Hampshire Road and North Cumberland Road shopping options, Sunshine North and St Bernadette's Primary Schools and the Victoria University campus.
