Private Sale \$595,000 - \$630,000

Brimming with style and an envious park view aspect, this two-bedroom apartment offers the best blend of yesteryear's vast proportions and today's amenities. Capturing leafy views from the first floor, the home is filled with an uplifting ambience, while enjoying every convenience with eateries, shopping, parklands, and transport at its doorstep. Lined with hardwood floorboards and full height windows, the living area provides exceptional space to relax and dine with crowds of friends, connecting with a picturesque balcony for alfresco enjoyment. The adjoining kitchen indulges the home cook with modern appliances, abundant storage, and oodles of bench space. The main bedroom is substantially sized and complemented by wall-to-wall robes, while the generous secondary bedroom offers versatility as a home office, including built-in robes. Sharing a central bathroom, the home assures security with steel security door, and is finished with an undercover carpark on title. Situated mere footsteps from Morang Road Reserve, the Yarra River's walking trails, Hawthorn station and city-bound trams, and the West Hawthorn shopping strip, the home has everything within easy reach, while located among leading public and private schools.
