Sea Side Cottage Now Selling Located in a tightly held beach side locale and backing on to the natural bush land, a truly rare offering awaits. Just a 150 meter level stroll to the beach. This light filled cottage enjoys exceptional privacy amongst the tree tops and natural surrounds. Exuding charm and positioned in an exclusive seaside location. Quintessential beach house for relaxing holidays, permanent occupation or weekends. Open kitchen, separate living opens to yard and reserve outlook. Glass doors create a seamless flow between inside and out. Elevated sun drenched deck enjoys views and sounds of the surf. Northerly aspect captures summer breezes. Offering strong holiday rental potential. Master bedroom with direct balcony access, off street parking. Set back from the street on a secluded plot. Contact James White to inspect today
