Phone Enquiry ID: 227779 This lovely townhouse is situated in a quiet, relaxing, leafy complex at the end of the street. This townhouse has only one adjoining neighbour with a grass area to the other side. There are sports ovals beyond the back fence and surrounded by bushland that gives the feeling of space and privacy. There are children's playgrounds across the field and it's only a short walk the beautiful Waterloo Bay waterfront. The backyard is large for a townhouse complex so there is plenty of room to enjoy sitting under the patio or spending time in the garden. A storage room is accessible from the back garden. The 2 bedrooms (both with built-ins) and a decent sized bathroom is upstairs and the open plan lounge and dining area and kitchen is downstairs. Both bedrooms have ceiling fans and the large main bedroom has an air conditioner. New flooring upstairs and bamboo flooring in the open plan lounge and dining areas downstairs. Kitchen with plenty of cupboards for storage with the laundry opposite the kitchen. There is a single carport with plenty of visitor/extra parking spaces in the complex. Security screens on the windows and doors. Close to local schools, train stations and Birkdale shops. Pets considered upon application and approval by Body Corporate.
