\$596,000

Well set back from the road in the classic mid century 'St Georges Gate' building, this impressive 2 bedroom + study ground floor apartment has a fine sense of scale and a fresh sense of chic. Hallmarked by its state of the art Hamptons inspired kitchen boasting Electrolux cooking appliances including induction cooktop, Fisher & Paykel integrated dish drawer and shaker style cabinetry, this rejuvenated retreat enjoys a traditional entry foyer, a huge living and dining room capturing leafy western views through the steel framed windows, an oversized main bedroom with built in robes, a sizeable 2nd bedroom (robes), a prized separate study and an immaculate bathroom. Bringing out the beauty of its Tasmanian Oak floorboards, this timeless apartment has great storage, ducted heating, instant hot water and parking with access to communal laundry facilities. In Melbourne's finest postcode with city trams footsteps from your door, two stops down to Toorak Village and only a short stroll to Heyington station.
