We understand that the current rental market is critical and empathise with all looking to source accommodation. Please DO NOT CALL the office. Applications will only be processed once a viewing has been attended. By registering to view, the open times will be sent to you once the times have been set. This modern villa is located close to all the amenities on offer in the precinct of Midland. This very easy upkeep villa offers solar hot water combined with solar panels assisting household costs. BEDROOM 1 – is spacious with built in robes and of ample size to host a large bedroom setting. Split system air conditioning in this room. BEDROOM 2 - Built in robes to this room and will comfortably host a king single bed with prospects of being able to host a larger bed without a bed head. The living and combined dining is sizable. The flooring throughout is tiled for ease of care and may aid allergy affected folks. A split system air conditioning unit provides comfort to the living areas and bed 2. The villa has an extensively paved enclosed rear courtyard. Under cover parking is under the building main roof with a designated off-road visitors bay located in the immediate vicinity of the villa.
