\$880,000 - \$960,000

Contemporary urban living flanked by Westgarth and Fairfield Villages hits a highpoint with this designer three bedroom, two bathroom residence boasting its own street frontage and Northcote High zoning. Artfully arranged over three sunlit levels and connected by a designer staircase encased by modern ironwork, this home impresses with a home office or further bedroom on entry, and expansive open plan living. Polished concrete floors, square set ceilings and full height sliders to a sun-dappled entertainer's balcony taking in treetop views delivers remarkably stylish living, with a sleek Bosch/stone soft-close kitchen its perfect complement. Spacious bedrooms with robes, one with soaring ceilings and clerestory windows share gleaming bathrooms, master with ensuite, while extras include custom cabinetry, Euro laundry, powder room, video entry, hydronic heating, cooling, double glazing, secure car space and storage cage. A short stroll to Westgarth and Fairfield Villages, Westgarth Primary, Johnson Park and Dennis Station, with local cafes at your door, inspection will impress.
